

Stained-Glass Silk Painting

The art of painting on silk is one of the easiest fabric painting techniques to master and a satisfying creative stress buster for a busy, hi-tech world. This class will introduce the beginner to the world of dyes, pigments and designing on fabric. Each participant will create a silk hoop painting using Art Nouveau imagery as a point of departure.

**Sunday
June 27
1 – 4 PM
Fee \$65.00**

About the Artist:

Lee Bale is a veteran of the Alberta art scene whose art practice has explored textile media for over 30 years. She has a BSc in textile design and dye chemistry, a BFA in Painting/Design and an MFA in Fiber/Sculpture. Her mixed media fabric works have received numerous awards on an international level and are included in many fine collections abroad and locally including the University of Alberta, Red Deer College and The Banff Centre. As a college educator and visiting artist, she has also taught extensively including Parson's, New York, The School of the Art Institute of Chicago, Nova Scotia College of Art & Design, University of California-Davis and the University of Alberta.

Beautiful art materials and advice to inspire creativity!
