

TEAM BUILDING OPPORTUNITY!

This is a unique opportunity to participate in this year's 23rd annual Whyte Avenue Art Walk Festival in Old Strathcona, from 6-8 July, 2018. Your employees can take part and enjoy the team building camaraderie that this volunteering opportunity presents!

There will be an apron painting party for all the volunteers at the orientation on 25 June (6.30-8.30pm) which is a lot of fun (and no art experience is necessary!) and the volunteer aprons are coveted souvenirs to keep and enjoy.

During the orientation evening, volunteers get to pick their jobs as well as receive complimentary beverages and get discounts at several Old Strathcona businesses. All of our valued volunteers get to contribute a minimum of two 4-hour shifts in becoming part of this year's awesome Art Walk volunteer team.

This will be a rich and rewarding experience, enabling a rare opportunity to be intimately involved in the art world, as volunteers get to meet so many of the artists, watch art being made – or perhaps buy some! It's a great opportunity to purchase original art for the home, the office or perhaps curate an art collection for your boardroom. Art purchased at Art Walk is never just décor it becomes a conversation piece!

Please come and pick up some Volunteer Invitation forms at The Paint Spot.

We look forward to meeting you soon!

Kim Fjordbotten
Festival Producer and owner of The Paint Spot

Beautiful art materials and advice to inspire creativity!
